
New Global Citizens Team End of Year Update

We've sent this form to you electronically, but we know there are a handful of teams out there that just prefer hard copy. If that's you then please complete this form to update NGC on the total work your team has accomplished. We want to thank and celebrate all your efforts so let us know in detail how you took action for global change! This form is required for each NGC team and without it New Global Citizens cannot complete the transfer of funds to your chosen Global Project. So, don't hesitate in completing it before the final due date of June 13, 2011. There's an addressed envelope attached—simply add a stamp. Thank you and let us know if you have any questions: jennifer@newglobalcitizens.org
